## POPE FRANCIS ON THE TRINITY

As Christians, “we are called to bear witness to and announce the message that ‘God is love,’ that God is not distant or insensible to our human affairs.” God, the Pope said, “is close to us, He is always by our side, He walks with us to share our joys and our sorrows, our hopes and our struggles.” He loves human beings so much that He sent His only Son, the Second Person of the Trinity, into the world, that the world might be saved through Jesus.

It is the Holy Spirit, the gift of the Risen Jesus,” that “communicates the divine life to us and so makes us enter into the dynamism of the Trinity, a dynamism of love, of communion, of reciprocal service, of sharing.” A person, a family, a parish that loves others for the sake of love is a “reflection of the Trinity.”
